Calumet . . .

A Warrior's Day

Getting off the bus, students begin another day.

Loaded with gear, 1,500 students pour through the doors.

Class activity—an important part of Calumet.

Take a school, place it in a suburban residential community which finds most of its residents employed in industry. Place this in the northwest region of Indiana during the 1960's. Add an enrollment of over 1,500 students and a faculty of 60 — this is Calumet High School.

Calumet is a close-knit group of young, energetic Warriors who set their goals high and work long and hard to accomplish them.

The community is filled with parents and patrons who care about their future citizens. As individuals and as groups they actively support Calumet High.

The band, the athletic teams, school clubs, and classes all provide a place for the students to become a part of the school activity.

Classes, around which Calumet is built, direct the students toward careers and lives which have a better opportunity to be worthwhile because these students have attended Calumet.

The building, the community, the activities, the classes, and most of all the people—THIS IS CALUMET.

Begins On The Bus

Assistant principal Tsangaris questions a between-class locker stop.

Al Streeter, Mr. Football, grabs far vitality better known as milk.

A hungry Warrior buys ice cream during her lunch hour.

Students make the best of their lunch hour by combining studying and eating.

Lunch Time Activities

During lunch time underclassmen take advantage of active sports.

Teen-agers of C. H. S. find time for friendly gatherings.

Jerry Baldwin and Gail Barnett take time from their day for a chat.

Some students use naantime privileges and gather at M & E.

Highlight The Social Day

Juniors study U.S. History which is a required course.

Mr. Sadja, Chemistry and Science teacher, poses for a photograph.

Pat and Terri Sasser join together to prepare for a class picture.

After a hard and strenuous day students gather to get on bus.

Rain Dampens

Morgoret Skidmore and Terry Evons lead the march for the Homecoming Queen's coronation.

Happiness overflowed Joy Honeycutt as she was crowned Homecoming Queen by Terry Evons.

Jackie McCord and Bob Kollos; Condé Carpenter and Jerry Popiolo; Carol Hamilton and Sam Cogdill and Queen Joy Honeycutt and Phil Mitchell were included in the Queen's Court.

Royalty

Homecoming '65 was a pretty muddy event as rain washed out the traditional bonfire, parade and the "Powder Puff" game.

The rain quite successfully made the football field a sea of mud for the grid-ders of Calumet. This did not stop the spirited Warriors from extinguishing the Gary Edison Blazers in a 25-12 Homecoming victory.

During half-time festivities the four finalists were escorted to the 40-yard line. Emcee Terry Evans then crowned Joy Honeycutt 1965 Homecoming Queen. She was presented roses by Margaret Skidmore. After the announcement the band made a star-formation around the new queen and played "Alma Mater" and "Auld Lang Syne."

Mr. Football, Al Streeter

Students jerk to the music of "Randy and the Renegades" at the annual homecoming dance.

Fearless Warriors led by Al Streeter and Jim Chancellor crash through homecoming teepee held up by Varsity cheerleaders Judy Chiarmante, Candy Carpenter, Linda Smith, Rita Zurawik, and Jeanne Lynch.

Mrs. Cheliras looks at a bruise on Judy Saroff's hand as Cathy Schmidt and Susan Teitge look on.

Powder Puff

The Band's pre-game ceremonies included playing The National Anthem.

It was a muddy game, but the Warriors managed to overcome the Gary Edison Blazers 25-12.

Battle Ends In Tie

"Randy and the Renegades" played at the Homecoming dance where Al Steeter was named Mr. Football, and also awarded the trophy for the most valuable player. The royal couple then led the dance for the queen's court.

The assembly before the game achieved great success as it aroused student and team spirit. Then "Warrior" coach Bob Joseph introduced the three team captains, and senior players. Mr. Max Hile introduced Mr. Troxel of Troxel's Jewelers who presented the school with a trophy to be presented to the outstanding player in the homecoming game. Emcee Terry Evans introduced homecoming queen candidates and finalists.

The "Powder Puff" game was rescheduled for Tuesday, October 5. The game's enthusiastic "female Gridders" battled it out to a 13 - 13 tie. Barb Umlauf made both touchdowns for the sophomores. Margie Baigent and Candy Carpenter carried the pigskin into the end zone to score for the junior - senior team.

Marti Storesnick carries the ball for the Sophomore team.

The Junior-Senior team helps out the cheering section before game time.

Dorothy Carr helps Donna Larkin with her Homecoming corsage.

Melodrama Breaks Routine,

Ed Denney sells a ticket for Friday's game to Jack Ferguson.

Debbie Gray uses the phone to make one of the many calls that go out from the school each day.

Monitor Judie Smedley is posted in the hall to keep down the traffic.

Jeff Wilsey sells freshman Jim De Pew his first Calumet sweat shirt.

Entertains Large Group

Courtney Kenilworth: played by John Nicaora, is booed as he enters Redfern's office.

Lucy Manville, played by Debby Bates, reveals Courtney Kenilworth's true identity as Milly Blossam (Dattie Weyhe) listens.

The annual melodrama was presented to the student body as "an assembly no one misses."

The crowd witnessed the sly acts of the villain, the bravery of the hero, and the talent of the Players.

Characters from "Her Fatal Beauty or A Shop Girl's Honor" included: Front Row: Dorothy Carr, Theresa Barns, Debby Bates. Second Row: Dattie Weyhe, Pauline Leiva. Third Row: Rannie Daerr, James Crasslin. Back Row: Eugene Ruzzini, John Nicaora.

Christmas Is Joyous

David Bacon and Carolyn Scaniers demonstrate the selling of Christmas candy as part of their D.E. class.

Students Jahn Konja, Betty Stringer, Kenny Stienhubal, and Jackie Thomos admire the Christmas display in the AV Room.

Mr. Trippe conducted the chorus as they sang a seasonal melody for the Christmas Assembly.

The spirit of Christmas was evident at Calumet as the season of joy and good will came.

Students caroled, made cheer baskets, and decorated the school. Of course the best part was the glorious two-week vacation!

Betty Cudziol, Tina Killion, and Linda Beavers read the news in the Christmas issue of the Warrior.

Betty Potter, Eugene Anderson, and Gail Finch admire the GAA Christmas tree erected in the main hall.

G.A.A. Presents "Misty"

Jeanne Lynch, Lewis Sheffield, Nara Moore, and Tom Watson consider plans for dinner after the ball.

Terry Maryanavich and Ted Danchi quench their thirst with an enjoyable cup of punch.

The GAA Ball was December 4 with "Oscar and the Majestics" playing.

The theme for the ball was "Misty" and the senior members of the organization decorated the cafeteria in green and blue for the occasion.

Over 100 couples had a pleasant and successful evening.

"Oscar and the Majestics" provided music for the Ball.

Students Gain Recognition

D.A.R. winner Judy Muyskens skims through a government book.

D.A.R. Award, Bausch and Lomb Science Award, and Co-ed Correspondent Award are presented to three students for leadership, character, personality, and ability.

D.A.R. Award is presented to a senior nominated by the senior class and then voted on by the faculty.

Bausch and Lomb Science Award goes to the student having the highest grade in science subjects. The Science Department picks this student.

Co-ed Correspondent is picked by the teachers from girls enrolled in homemaking.

John Nicora, Bausch and Lomb Science Award winner, does a chemistry experiment.

Co-ed Correspondent, Judy Ferrell writes another Homemaking Club article for the Magazine.

Polio

Judy Sullivan and Patsy Blankenship count the money the Sunshine girls collected between classes.

School chairmen for the polio drive were Sylvia Ligocki and Larry Pace.

Alfinio Olivarez is surrounded by Jackie Simunic, Yvonne Burbesque, and Mike Kurts at the Polio Hap.

Students dance to the music donated by the Swordsmen and the Renegades.

Drive Lasts All Month

The 1966 March of Dimes Drive lasted from January 1, to the 31. Students from all four classes participated during school time and in the evenings.

Terry Evans was the Teen Chairman for the Lake County District. Debbie Bates, Judy Muyskens, and John Olivarez formed the steering committee for Lake County District.

Their job was to make all the rules for this area. Our own school chairmen were Larry Pace and Sylvia Ligocki.

The first week of the drive students went out and collected from all stores and our own district. The rest of the month students put on the Slave Sale, Legs Contest, and class contests.

The total collected exceeded \$1,700.

A dance featuring music donated by Randy and the Renegades and the Swordsmen closed the drive.

Lake County Chairman, Terry Evans, looks in the filing cabinet.

Fashion Views

The word in good looks at Calumet this year is casual.

Girls wore skirts and sweater outfits with loafers, boots, and shoulder bags plus conventional flats and sneakers.

Boys made the scene with Bonanza shirts, pull-over sweaters and continental slacks.

One of the familiar styles for winter wear is a V-neck sweater worn by Lucy Klutts.

Phyllis Shawver wears her ski sweater with coordinating skirt and socks.

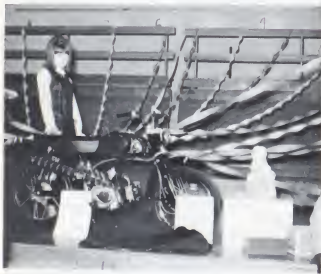

Paulett Wheatley fashions the "London Look."

Gerry Nimetz relaxes with a magazine after final exams.

Jerry Baldwin is caught by the photographer while taking his Journalism semester final.

Darrell Peddycoart, Mark Pappas, and Linda Atterbury discuss their semester grades.

Semester End Provides Break

Diane Phelps takes time out of class to see the nurse, Mrs. Coplinger.

Mary Buchko and Danny Micheals try out a piece of pizza after a game.

The end of the semester found students relaxing after semester exams, going to games and enjoying pizza afterwards. The cold weather also saw students tobogganing, ice skating, and some staying in from the cold.

Mr. Demeduk leads the band during a pep assembly.

Sophomores

GAA sponsored the eleventh annual Loyalty Day Program the day Calumet entered the Sectional Tournament.

A traditional Dress-up Day was made even more colorful by the flowers worn by many girls.

Judy Muyskens, president of GAA, related the purpose of the program and its history to those attending the assembly during third hour.

Junior and senior members of GAA "played" a game of basketball as their skit. Dressed as members of the Andean and Calumet squads, the girls depicted their version of the Sectional contest. Calumet scalped the 59'ers 30 to 1.

Janice Martin keeps score at a GAA bowling session.

Students file into the gym for the traditional GAA Loyalty Day program.

As the world of science changes, so changes the science courses at Calumet.

Two of the most apparent changes are the addition of two new courses—Physical Science and Community Biology—and a new teacher—Mr. Sajda.

Physical Science consists of nine weeks of general science, nine weeks of biology, nine weeks of

chemistry, and nine weeks of physics.

Community Biology is a less academic form of the regular biology course and is geared to the student not interested in college.

Guest speakers help to make club meetings more interesting while trips, plays, and visits to Universities are enjoyed by club members each year.

The main purpose of Calumet's Club program is to help build character, to build special interests, and to acquaint the members with society in an effort to develop well-rounded citizens.

Sports

For the first time in CHS sports history the Warriors won a state championship and added wrestling to varsity athletics.

The harriers' championship plus being the only undefeated team in the state brought high recognition to CHS sports.

Calumet's wrestling team made its own place in CHS sports as the squad completed a 12-match season.

In addition to cross country and wrestling, Calumet teams also competed in basketball, baseball, track, and golf.

The student body showed interest and enthusiasm in sports by cheering the teams onto victory many times during the seasons. It's not just the players in the sports which count, the whole student body makes a successful season.

Led by Jerry Reynolds and Leray Anthony the Warriors throw Griffith for a loss.

Gridmen Have Winning Season,

In gaining important yardage, Leray Anthony shows good running form.

Team spirit and desire made possible a winning season. Led by the seniors the Warriors fought for victory every minute in every game. Hustle and working together the gridmen finished fourth out of 13 teams in the Calumet Conference. Nothing can be taken away from the team for the games they lost. They fought to the last minute, showing no sign of giving up, and their 5-4 record is one they can be proud of.

Gary Wirt, supposedly one of the best teams in the area, was no problem for the mighty Warriors as they won 28-19.

The Warriors were defeated by the state's number one team-Hammond Morton, highly rated South Bend Washington and Chesterton, the eventual Calumet Conference Champs.

Intense concentration as shown by these players on the bench is one reason why the Warriors had a winning season.

Finish High In Calumet Conference

First State Title,

A great team and a great coach brought Calumet its first State cross country title.

Hours of hard work and team spirit also made an incredible unbeaten season.

The finest bunch of boys you could meet brought about a respectful reputation from cross country teams throughout the state.

"Going out to win and coming back first" was a familiar phrase for the hard-running Warriors.

Finishing closely together at every meet was the reason for their winning. They added more trophies to their collection by taking first at the Hobart Invitational, the Shortridge Invitational, the LaPorte Invitational, the Calumet Conference, the Sectional, the Regional and the State meet.

The Hobart Invitational was just one of the many trophies the Warriors won throughout the year.

Running well ahead of the pack, Jerry Brawley and Alan Lang set a fast pace.

Creating enthusiasm is the job of a cheerleader. A committee of teachers chose a group of girls very capable of creating enthusiasm. Headed by Miss Doty and working with the Pep Club the cheerleaders had a very successful year. They were responsible for getting support from the spectators to boost the teams to victory.

After sponsoring a dance, with the assistance of the Pep Club they were able to buy new cheerleading uniforms.

Warriors Seek Third

At half time Coach Traicoff prepares strategy for a Warrior Victory.

The Varsity fought for their third straight Calumet Conference basketball title. Contributing much time to practice and learning to work as a group is a big part of their success. As the year progressed the Warriors developed much poise, along with the confi-

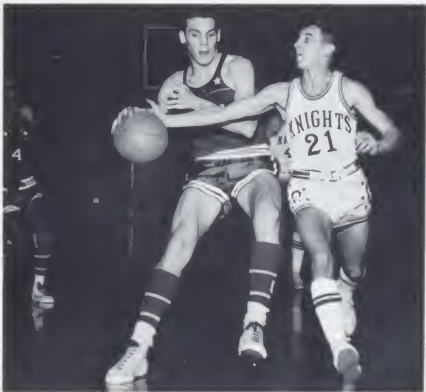

dence of a team not to be beaten.

Defeating such top ranked teams as Bishop Noll and Portage made the Warriors only tougher competition. Team enthusiasm was carried throughout the year to make a successful season.

Shapes Team Into A Winner

In 1951 the Warriors defeated Boone Grove for the championship of the Val-paraiso sectional.

Since then, they have compiled a record of 215 wins and 91 losses.

Having a reputation for being a top-ranked team year after year is not an easy task, but Coach Chris Traicoff works with assistant coach Steve Bjelich, to prepare a winning team.

Long hours of concentrated drill and practice keep the squad in top shape, and movies taken of the games point out weak areas for additional effort.

Mike Ratika and John Caffman are eager to get the loose ball.

Tall And Talented

"This is the easy way to do it," as shown by 6'7" center Wayne Canada.

Dave Coleman goes into orbit as he dunks during warm ups.

The difference between 5'10" and 6'7" makes no difference to Fred Summers as he dunks.

Coach Traicoff fires up the team during a last-minute time out period.

Warriors Top

John Olivarez, Mr. Warrior, gives a pep talk at the Saturday pep rally before the East Chicago Washington game.

Calumet ripped Andrean, as they had in the last regular season game, in the first round of the East Chicago Sectionals 72-45 but bowed to the host Senators in the semi-finals.

The Andrean game was a repeat performance by an eager Warrior squad.

Eventual tournament champion Washington ended the Warrior season. Calumet was considered the most likely team to upset the favored Senators, and they managed to lead during the early part of the contest. The final score was 51-38, which gave the squad an admirable 18 and 4 season.

Wayne Canaday and John Trotter were named to the Hammond *Times* All Star first squad following the tournament.

Warrior fans listen intently to Coach Traicoff's pep speech.

Mr. Tsangaris expresses his confidence in the Warriors.

Andrean, Bow To Senators.

Mr. Traicoff and team listen as Mr. Tsangaris gives pep talk.

Alumni Bobby Jackson, former basketball player, gave a pep talk to team and students.

A large crowd of Warrior boosters gathered in the gymnasium on Saturday morning preceding the Senator-Calumet clash at East Chicago.

Music, cheers, introductions, and speeches were combined in the program designed to send the team off to the game.

Team members were introduced by Coach Traicoff and short speeches were given by Mr. Tsangaris, Dr. Sharp, Bobby Jackson, and Mr. Traicoff.

Cheerleaders led the student and adult fans for several cheers to end the program.

And away we go!

Playing one of his best games Dave Coleman shoots for two against Andrean.

Speedster guard Joyn Trotter leaves no time for opponent to react to his cat-like reflexes as he shoots a twenty footer.

The varsity team completed a successful season with a total of 17 wins and only 3 losses.

They were also undefeated in Calumet Conference play as they won the title for the third straight season-as many years as they have been in the Conference.

Contributing to much of the success were the seniors; Wayne Canaday, John Coffman, John Trotter, Dave Coleman, Mike Ratica, Doug Sink, Larry Vaupel, Gerry Nimitz.

In the final game they defeated Andean 67 - 49 for their 25th consecutive home victory.

Junior Warriors Get Experience

Dave McClanahan adds two more for the reserve team and shows perfect shooting form.

The reserves recorded an 11-9 season. Winning their last two games was a season brightener.

The players contributed much time at practice and working on basic fundamentals to prepare for the game and prepare for next year's varsity season.

Jack Mote, Tim Devitt, and Dan McCanahan provided team leadership.

During the season Coach Bjelich recorded his 200th victory. His squads have won 80 percent of their games.

Warriors Triumph

Big Wayne Canaday, a mighty Warrior, managed to make three All-Star squads.

Canaday and Trotter represented Calumet on All-Star squads for the Sectional, the Conference, and finally the Lake County All-

Stars selected by the Hammond *Times*.

Canaday joined eleven other players from the county selected as the Regions best.

Before basketball season ended, the spring sports enthusiasts started a program to get into shape.

Again

Calumet's wrestling team ended its first season by sending 95-pound Steve Powers to the Regional.

Steve took a 4th place at the Regional.

Powers went into the Sectional with a 10 and 2 record.

Eager candidates had a season in which they gained valuable experience under the direction of Coach Beckham.

Eight wrestlers lettered for the first season the sport was included at Calumet.

Steve Powers, Ken Stigall, George Brown, Mike Tipton, Joe Rodriguez, Don Buchanan, Mike Elliot, and Carl Anserello were all awarded letters.

Album

Fifteen hundred smiling faces, faces that are seen in the halls everyday at CHS will be remembered as these pages are turned.

Many memories will be stirred. Freshman planning committee meetings, sophomore voting and ordering of class rings and junior planning the junior-senior prom activities will be included.

Seniors will remember getting senior pictures taken, ordering announcements and name cards, planning graduation ceremonies, and attending the senior banquet.

The busy, crowded, hectic days at Calumet will certainly play a significant role in years to come.

School Honors

Senior class members struggled through the year looking always toward that final day of school and graduation.

Pictures, name cards, announcements, and all of the many things necessary for graduation occupied most of their time. If any time remained after the school activities, they even took time to do some studying. Some, however, studied more than this.

Success is sure to come to the Top Ten Percent of the Class of '66.

Sharon Hubers and John Nicoara topped the class scholastic standing list at the end of the seventh semester of their schooling.

Sharon, as Valedictorian, had an average of 3.9718. John followed close behind with 3.8974 to take salutatorian honors.

The honor graduates wore gold tassels in the graduation ceremonies to indicate the honor which they earned.

Linda Smith
Senior Class President

Other senior class officers included Margaret Skidmore, secretary, and Larry Pace, treasurer.

1966's Outstanding Seniors

Judy Muyskens

Class members selected the two outstanding members of the class of 1966 by popular ballot.

Academic standing, contribution to school and class, and friendliness were considered in the balloting.

Student Council President Terry Evans was named as the Outstanding Boy in the class.

In addition to class committees and club work, Terry was a member of Quill and Scroll and worked on both the Warrior and Chief-tain staff.

DAR Award Winner Judy Muyskens was selected the Outstanding Girl.

Her activities at Calumet were varied and numerous. Music, GAA, Honor Society, class committees, and Student Council are among her activities.

Juniors Present

John Olivarez
Junior Class President

Members of the Junior Class worked all year to make their biggest project—the Prom—a success.

The class sold candy and sponsored the Homecoming dance in the autumn to insure the seniors that there would be enough money to pay for the Prom.

Karen Ferrell, secretary; Jim Ferguson, vice-president; and Linnea Darichi, treasurer, finalize plans for the Prom.

Advertising

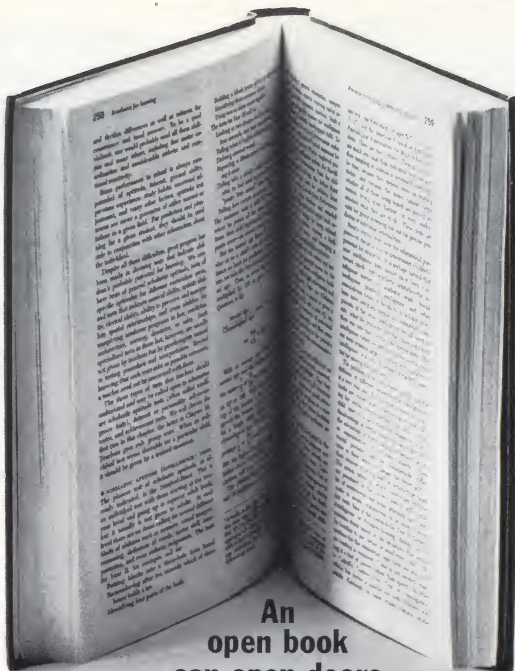

Calumet is not just the students and teachers. It also includes the people who support the school.

Calumet high school students form a large market in Gary, Griffith, Calumet Township, Ross Township, and Hammond, for area businesses.

Calumet students eagerly spend their share of the \$15,000,000 annual teenage market.

To the advertisers here we owe a big thanks for helping to make this yearbook possible.

An open book can open doors

In our recruiting we ask that applicants have completed their High School education. That's because we try always to fill higher, more responsible jobs from the ranks of our employees. And the records show—the better the employee's education, the better he is at his job—and the better he does for himself.

Inland employees continue to gain knowledge and experience in special trades through formal apprenticeship programs offered in the following trades—Machinist,

Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason and Pipefitter.

Many concentrate on certain phases of steelmaking by working in production while others work in laboratories helping to assure quality or developing new and better products for our customers.

How about you? Inland Steel is steadily expanding. More and more opportunities will be open to you as our growth continues. Are you ready?

Who Wants To Be Next To Yearbook "X"?

As yearbook "X"'s publisher we feel very close to the other yearbook publishers. They, however, lean over backwards the other way. In fact the only time we can get into graph with them is when we draw the graph ourselves. You can be sure that any growing company draws lots of graphs.

Like the schools, editors and advisers who work with us, we like to see facts laid down side by side. Favorable or unfavorable.

Here for instance are some facts about the publisher of yearbook "X". Plant- new (*brand new, in fact*). Increase in sales in the last 10 years 100%. Rate of customer repeat business - very high. Cost of our books -

comparable (*often less*). The quality is always superb. (No unfavorites there.)

The real name of the publisher "X" is *Artmaster Yearbooks*. *Artmaster* is the buy when you want a quality book that is easy to produce and is serviced by representatives who really care. Each book is handled by people who care about detail - skilled craftsmen.

Don't get us wrong, we do feel close to the other yearbook publishers.

BUT, we feel superior, too.

Another school year, another annual—to you perhaps, but not to us. Many hours of work—before, during and after school—have gone into this book. We have tried to picture the Calumet scene in photographs and words. Games, classes, dances, and the everyday routine all figure in the total picture. We hope this book provides the memories to remind you of your 1965-66 year as we conclude—This is Calumet.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 5.5 million to 7.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on the following principles: older people should be able to live independently, safely and comfortably; older people should be able to participate in the community; and older people should be able to access the services and support they need.

The first part of the paper discusses the importance of understanding the underlying mechanisms of the observed phenomena. This involves a thorough review of the existing literature and a critical analysis of the data. The second part of the paper presents the results of the study, which show that the proposed model is able to accurately predict the outcomes of the experiment. The third part of the paper discusses the implications of the findings and suggests directions for future research.

The results of the study indicate that the proposed model is able to accurately predict the outcomes of the experiment. This is a significant finding, as it suggests that the model is able to capture the underlying mechanisms of the observed phenomena. The implications of the findings are discussed in the third part of the paper, and directions for future research are suggested.

The study was conducted using a combination of theoretical analysis and experimental data. The theoretical analysis was used to develop the proposed model, and the experimental data was used to test the model. The results of the study show that the model is able to accurately predict the outcomes of the experiment, which is a significant finding.

The implications of the findings are discussed in the third part of the paper. The study suggests that the proposed model is able to capture the underlying mechanisms of the observed phenomena, which is a significant finding. This suggests that the model is able to accurately predict the outcomes of the experiment, which is a significant finding.

Directions for future research are suggested in the third part of the paper. The study suggests that further research is needed to understand the underlying mechanisms of the observed phenomena. This involves a thorough review of the existing literature and a critical analysis of the data.
